Donald, Tony and I will be attending the meeting along with our detectives. We would like to broaden the meeting to discuss crime prevention "Harden the Target." We would like to invite Kohl's, Trader Joe's, CVS, Ralph's, Bed Bath and Beyond and any other business within the BID that would benefit from our meeting. During Holidays we usually see increase in crime. We believe that we can prevent a lot of these crimes from occurring in our communities and businesses by bring everyone into the discussion. Ruben

Good Morning Jon...

I'm trying to finalize the Agenda for our Annual Meeting on Thursday. We hope that you are going to able to personally meet with this expanded group of Westchester Town Center business and property owners.

We haven't gotten a confirmation from anyone at LAPD and it's a big meeting with some concern about solicitors / CD sales vendors.

Thanks for helping us confirm our Agenda.
